Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: In the remark dated on 12/11/07, applicant state that "In the Office Action under reply, claims 1-21 were provisionally rejected on the ground of obviousness-type double patenting in view of claims 1-3 and 10-12 of copending application 10/673,712, claim 9 of copending application 10/673,713 and claims 1-21 of copending application 10/673,735. To overcome this double-patenting rejection, Applicants file herewith their provisional terminal disclaimer which will be effective in the event the aforementioned copending applications issue into patents". Since this application is the first application to be allowed therefore, the terminal disclaimers will be filed in the aforementioned copending applications when they are issued into patents.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
